ProMosaik e.V. engages for world peace and human rights, by seeking dialogue with diverse groups and social trends to promote a peaceful stimulating world based on anti-imperialism, civil courage and socio-political initiative of ordinary people who according to ProMosaik e.V. are the ones writing history.

# The Mosaic as Achievement and Continuous Challenge

In the symbol of the mosaic, ProMosaik e.V. sees the diversity of religions, cultures and languages in a balanced and colourful interaction rising daily to a new challenge. For ProMosaik e.V. the mosaic is not a finished product, but a daily endeavour.

# The Single Stone: Identity and Encounter

For ProMosaik e.V. the single mosaic stone represents the identity of the single person who does not lose her/his colour during her/his encounter with other religions, cultures and languages. ProMosaik e.V. believes in the identity and self-consciousness of the single person as the precondition for empathic dialogue.

# ProMosaik e.V. Remains Optimistic

In spite of all wars, conflicts, and misunderstandings ProMosaik e.V. believes in the construction of an authentically tolerant, dynamic society, in which the colour of the skin, the religious appartenance, the ethnical and cultural origin do not make the person ... what makes a person is her/his real ethical values, her/his conduct and principles, and her/his dignity.

# ProMosaik e.V. means Struggle

ProMosaik e.V. opposes all kinds of oppression, slavery, violation of children's and women's rights, forced labour, racism, discrimination, antisemitism, and islamophobia. ProMosaik e.V. defies all kind of right-radicalism and apartheid.

# ProMosaik e.V.: the Dialogue by Book Translations

To support its own book translations, ProMosaik e.V. has just opened the translation office ProMosaik Trans in Istanbul Fatih. Books are an important mean for intercultural and interreligious dialogue. The knowledge about the OTHER helps me to overcome stereotypes and prejudices.

Books support the struggle for human rights and peace.
